§22–304.

(a) The State Superintendent, in consultation with the Secretary, shall appoint a director.

(b) The Director shall receive the salary provided in the budget of the State Department of Education.

(c) The Director shall:

(1) Be responsible for the education of every child in a residential facility;

(2) Ensure that the educational needs of every child in a residential facility are assessed in a timely manner;

(3) Implement and administer the educational programs developed by the Council;

(4) Meet with and advise the Council about education centers and educational programs and their outcomes; and

(5) Consult with the Secretary and senior administrator of each residential facility about the operation of educational services for the program.
